True, the rich man can buy in a proven oil field at hig prices; but that is just where the poor man comes in if he has enough foresight to buy in an oil field before the oil begins to flow.

Thousands of poor men have been made rich by the exercise of this FORESIGHT. If the poor man RUYS and the rich man WAITS, then the rich man must pay the big prices. The dif-ference is that the rich man can afford to wait, but the poor man can't.

We guarantee that we have every reason to believe Pecos will be the NEXT BIG OIL FIELD. We make this statement

without qualification or reservation. We believe it. We have

Pecos Is Already An

OIL FIELD

We think we will have a gusher at Pecos in a few weeks. We think that within another year Pecos will have HUNDREDS OF WELLS producing oil in greater quantities per well than any other field in the United States. You know what acreage

is worth around oil gushers. We are selling some of our acreage new. If you buy now you will be there when the big rush beginn.

Five-Acre Tracts at
